OSA EDUCATIONAL PHILOSOPHY

The OSA Fine Arts Diploma and Portfolio Certificate Programs place an emphasis on attaining knowledge and skills that are fundamental to the practice of the visual arts. Each program is structured to provide access to study in a variety of studio areas, while allowing second year diploma students the opportunity to pursue a particular studio concentration.

Third-year Diploma students, have two terms of mentorship studies and exposure to a variety of exhibition experiences. In addition, third year students have access to a number of scholarship awards including a chance to represent OSA in the BMO 1st Art national competition. Access to significant areas of contemporary art practice provide OSA diploma students with an understanding of the cultural and artistic context in which they will pursue their art practices.

The Lee Matasi Gallery presents the artwork of third year Fine Arts Diploma students. Visitors to this gallery benefit from privileged access to the students' fresh ideas, their expression and presentation. This unique exhibition opportunity affords OSA students a large and informed audience to view their works in the school's professional setting. All works and projects presented in the Lee Matasi Gallery have developed from the student's studies at the school.

Integral to the rich cultural environment of the School are the two galleries located on the ground floor of the building. Through its regular programming schedule the Ottawa School of Art Main Gallery provides direct, on-site access to the highest quality professional exhibitions by local, national and international artists.

OSA CREDIT PROGRAMS

FINE ARTS DIPLOMA PROGRAM (90 CREDITS)

The Diploma Program is an intensive three-year course of study in the visual arts with an emphasis on practical studio experience. The developmental structure of the program provides students with access to the study of various studio areas including; drawing, painting, sculpture, photography, printmaking and ceramics, while including sufficient opportunity to pursue a particular studio concentration. Studio courses reinforce the mind's relationship to the eye and hand.

The first year of the program provides an intensive course of study allowing for a high degree of interaction with working professional artists in a studio setting. The curriculum is designed to provide the student with a solid base of information on the techniques and materials used by professional artists. The first year serves as the foundation for building knowledge and experiences in the subsequent years of the program.

The second year of the Fine Arts Diploma Program is composed of courses that develop the student's ability beyond the foundation level. In addition to intermediate level studios, the student becomes familiar with the history of art through survey, Canadian and contemporary art history courses.

In the third year of the program students further their studio interest in advanced studio courses and through mentorships with artists working in a medium that will influence their development. The study of contemporary art theories and practices, in courses such as Art and Criticism, Media Studies and the Business of Art, gives students access to a solid understanding of what it is to be an artist working in a contemporary way. This final year provides a significant knowledge of the cultural context in which they will pursue their careers.

*The school is one of the tiny perfect places of learning
_ I'd say the best in the country. You can almost feel the
talent who passed before, David Milne, Richard Gorman.
It is so loosely bound and very alive, almost like an in-
dividual.*

*Success! The City of Ottawa is purchasing my print!
Thank you so much for your advice about my application.
I am thrilled. None of this would have happened had I not
taken the program at OSA. I am very grateful.*

*I would like to thank you for the
course suggestions you gave
me for my first year of the Fine
Arts Program. The teachers are
fabulous, so dedicated, helpful
and their long teaching experi-
ence shows. I am learning what
I have been wanting to learn for
many years and I am thorough-

PORTFOLIO CERTIFICATE PROGRAM (30 CREDITS)

The one-year Portfolio Certificate Program is a unique opportunity provided for students who need to develop and expand their present body of work in preparation for application to university, college or art school. This intensive course of study allows for a high degree of interaction with working professional artists in a studio setting. Upon completion of their year, students may apply to continue their studies in the Ottawa School of Art Fine Arts Diploma Program, or apply to other institutions. A high percentage of these hard working certificate students obtain a place in their first choice of schools.

Students who have successfully completed their Portfolio Certificate year have, in many cases, qualified for the equivalent of full or partial first year at the Ontario College of Art and Design, the University of Lethbridge, Mount Allison University, and the University of Wisconsin-Stout.

The Ottawa School of Art offers full time art training to **International Students**.

Part-time art training in the credit programs can be considered when a minimum of three courses is taken per session.

Thank you for such amazing program! It was a great pleasure to study at OSA.

*Ekaterina Aladinskaya

Portfolio Certificate 2013*

The portfolio certificate course and, indeed, the OSA greatly exceeded my expectations. The teachers are outstanding and expert in their field. They treated each student as an individual and got the best from each one. The studios were well equipped and very accessible outside of class time. I learned a great deal and enjoyed the course immensely and will certainly recommend both the course and the OSA to anyone who may be interested in the field of art.

*Grainne Gannon
Portfolio Certificate 2012

I just want to mention that this portfolio year has been very successful. I chose to do this year for fun and interest sake, but it's ended up changing my course. I've gotten accepted to Algonquin's graphic design program. The head coordinator accepted me on the spot (at a portfolio clinic) because she was so excited about the portfolio I put together. I owe that to my year at OSA!

ADMISSIONS

FINE ARTS DIPLOMA AND PORTFOLIO CERTIFICATE ADMISSION REQUIREMENTS

The Ottawa School of Art requires a grade twelve Ontario Secondary School Diploma or its equivalent. All transcripts from institutions previously attended and a signed resume (providing further information on experience in art or design) must accompany each application for all credit programs.

If a prospective student has reached the age of 18 and has no secondary school diploma, it is necessary to pass a mature age student qualifying test given by the OSA and approved by the Ministry Training Colleges and Universities. In this case, the OSA will administer the Canadian Achievement Survey Test for Adults (CAT/2 Series, level 3) on the school premises through an appointment made with the program coordinator.

REGISTRATION

Registration begins at the end of May of each year and continues until the last Friday in August. Early registration guarantees a better choice of courses.

The Diploma Program Coordinator - **diploma@artottawa.ca** - is available during specific days for consultation. Please confirm all dates and times with the OSA registration desk and make an appointment for an interview. To speed your application, bring the completed application form and all the materials listed on the form to the interview. To download an application form from the school's web site, look under Diploma and Portfolio Certificate, click on Admissions for Making a Formal Application.

INTERVIEW/PORTFOLIO REVIEW

All prospective students applying to the Fine Arts Diploma Program must schedule an interview and portfolio review with the Diploma Program Coordinator by calling the main number of the school: 613.241.7471.

The Fine Arts Diploma Program is registered with the Ontario Ministry of Training Colleges and Universities as a Private Career College. When a student has been accepted into the program, he/she will be required to sign a contract with the Ottawa School of Art that follows the guidelines of the Ministry. The original contract will be kept in the student's file at the school and a copy provided for the student.

The Diploma Coordinator is available to answer any questions pertaining to OSA policies: **diploma@artottawa.ca**

FEES

PROSPECTIVE STUDENTS

At the time of a prospective student's entrance interview, a one-time Application Fee of \$56.50 is required. Application fees are not refundable.

All students are required to become members of the Ottawa School of Art. The Individual Membership Fee of \$33.90 is valid for one year from the date of issue. Membership fees are not refundable.

REGISTRATION POLICY

Registration for all credit courses takes place between June and September of each year. Upon the successful completion of the entrance interview with the Diploma Program Coordinator, students register for the fall and winter terms. The registration process and payment of tuition fees secures the student's chosen courses.

CREDIT COURSE TUITION

All courses in the Fine Arts Diploma and the Portfolio Certificate Programs are priced to include taxes. The tuition for each course is \$375.

In the Fine Arts Diploma Program third year students pay a supplemental fee of \$25 each for two mentorships and a \$100 fee covers the Graduation Review Mentorship required of all graduating students. The breakdown by year for OSA full time studies is

as follows:

- First year of study tuition + compulsory fees (\$3,750 + \$56.50 + \$33.90) = \$3,840.40
- Second year of study tuition + compulsory fees (\$3,750 + \$33.90) = \$3,783.90
- Third year of study tuition + compulsory fees (\$3,900 + \$33.90) = \$3,933.90

Tuition fees for completion of the Fine Arts Diploma Program totals \$11,400 CDN. International Students will pay \$15,900 CDN to complete the Fine Arts Diploma Program.

CREDIT COURSE PAYMENT PLAN

If students are unable to pay their tuition and fees in full at the time of registration, the Ottawa School of Art requires the student to arrange a payment plan (e.g. post-dated cheques) covering tuition for the current year. Application forms are available from the Diploma Coordinator as part of the entrance interview. Students are encouraged to apply at least two months prior to registration. The OSA payment plan has two generous payment options:

1. Payment by term: each term is paid in full by providing two cheques. The first term must be paid in full at registration. At registration a second post-dated cheque for January 1st of the following year is given.
2. Monthly payments: With this option, six cheques are required at the time of registration. The first cheque, for 1/6 of the total amount, is payable at registration. Five postdated cheques are also required with the following dates: October 1st, November 1st, January 1st, February 1st and March 1st.

The Ottawa School of Art accepts cash, cheques, VISA or MasterCard credit cards and INTERAC bank debit cards. Registration may be made in person or by telephone (VISA or MasterCard only).

Approval for the payment plan is at the sole discretion of the Ottawa School of Art. The terms and conditions of using the Fee Payment Schedule must be approved by the Finance Officer prior to registration. The OSA Finance Officer takes up to three working days to approve payment plan applications and any other financial arrangements.

NOTE: THERE IS A \$25 (PLUS HST = \$28.25) ADMINISTRATION CHARGE ON ALL NSF CHEQUES.

The Ottawa School of Art reserves the right to cancel any class due to insufficient enrolment or other unforeseen circumstances.

Students who do not pay their tuition in full will not receive transcripts of their marks.

WITHDRAWAL, REFUND, TRANSFER AND CANCELLATION POLICY

Any changes to the student course contract signed at the beginning of each school year in a personal interview must be made through the Program Coordinator. If for any reason, a student wishes to withdraw from a course for which he/she has registered, the student must sign the form provided with the following in mind:

- Prior to the start of classes (up to the starting date of the class) the student receives a refund of the course fees, less a \$25 administrative charge +HST (\$28.25).
- If for any reason a student wishes to transfer from a course for which he/she has registered to another course, and the request can be accommodated; a \$25 fee +HST (\$28.25) will be charged.

If for any reason the Ottawa School of Art cancels a course, every attempt will be made to identify an alternative course suitable to the student. If this is not possible, the course fee will be fully refunded, with no administrative charges applied. If, over the duration of a course, a class is cancelled, every attempt will be made to arrange a 'make up' class. If this is not possible, the class portion of the course fee will be fully refunded, with no administration fee applied.

Student withdrawal, refund, or transfer requests will not be processed by telephone. The student is responsible for making an appointment to see the Program Coordinator

and to sign the form provided by the School. Refunds will be issued by cheque only in Canadian funds. Please allow 7 – 14 days for processing.

In some situations, the Ottawa School of Art may employ a substitute teacher or schedule a course on an alternate date suitable to the student's timetable. If, for any reason, either of the above cannot be realized and the course is cancelled, the course fee will be fully refunded, with no administration fee applied. If, over the duration of a course, a class is cancelled, a "make up" class will be scheduled.

COURSE FAILURE

If a student fails a course in the first half of the year, he/she is ineligible to remain enrolled in the second half of the course. To adjust the amount of tuition paid or to make adjustments to a payment plan, a \$28.25 fee will be charged.

PROGRAM POLICIES

ENROLMENT

Students are encouraged to enroll on a full-time basis in order to obtain the maximum benefits of the program. Full-time study is defined as five courses per term. Part-time status will be considered under certain circumstances. Part-time status is defined as three courses per term.

DURATION OF STUDY

Normally, full-time students should complete their studies in three years for the Fine Arts Diploma Program (90 credits) and one year for the Portfolio Certificate Program (30 credits). Part-time students may take up to a maximum of five (5) years.

At the end of each term marks will be posted online and on the third floor bulletin board. It is possible for students to request a non-official printed copy of their marks by contacting the Registrar: **program_officer@artottawa.ca**. The printed copy will be kept for pick-up at the front desk.

SATISFACTORY SCHOLASTIC STANDARDS

A certain level of academic standing is expected from students in the Diploma and Portfolio Certificate Programs. Students will be expected to maintain a C+ or better on all courses selected.

FAILING COURSE MARKS

If a student fails a required course they must repeat and pass that course as soon as possible. Students are given three (3) opportunities to pass any one course, which is a requirement for their program. Upon failing such a course for the third time, students will be transferred to the General Interest Program and will be allowed to apply for reinstatement after a period of one year.

NOTE: STUDENTS MAY LOSE THEIR FULL OR PART-TIME STATUS FOR THE FOLLOWING REASONS:

- A. Unprofessional conduct or occurrences that may demean the reputation of the OSA
- B. Inactivity: failure to register on an ongoing or consecutive basis for the required number of credits per term
- C. Non-payment of fees or outstanding accounts
- D. Failing grades
- E. Failure to maintain a C+ average
- F. Failure to complete the program within the five-year time limit

INCOMPLETION

If a student requests an "Incomplete" evaluation, the required course work must be completed and a revised evaluation submitted to the Diploma Program Coordinator by May 31st of the same academic year. Unresolved "Incomplete" evaluations will be revised to a "Failure" after this date.

CLASS REQUIREMENTS

Attendance will be taken in all classes. 80% attendance is required in each course. A mid-term warning may be given after two classes are missed in any course. Being more than twenty (20) minutes late for any class constitutes an absence.

At the beginning of each term instructors will outline the class assignments. These include a minimum 3 hours per class, per week of contact time plus three hours of homework. It is the responsibility of each student to fulfil these requirements in order to receive a passing grade. These quantitative requirements do not replace the qualitative goals of producing work that demonstrates progress and improvement in technical and creative development and direction.

In order to maintain their full-time standing in the program, students will have to meet all course requirements (attendance, assignments, etc.) and receive a passing grade in enough courses to earn a total of 12 credits per term.

It is important to note that 'incomplete', 'withdrawal' and 'no credit' mark designations will not be counted when totalling the minimum 12 credits per term. Credits will only be awarded in those courses in which the student receives a passing grade. In addition, students are required to maintain a yearly C+ average or higher.

The use of headphones and personal devices in all classes and studios is at the sole discretion of the instructor. Any instructor who has given permission to any student can revoke the privilege once given.

Unless the instructor has given permission, cell phones must be turned off during class time. Exceptions are made due to urgent circumstances.

COURSE WITHDRAWALS

Should the OSA cancel a course, students will receive a full refund. Students who wish to withdraw from a course beyond the cancellation deadline will have an 'incomplete' on their transcript. All course withdrawals are at the discretion of the Diploma Coordinator who completes the appropriate form. The form must be signed by both the coordinator and the student.

FULL TIME STATUS

Students wishing to be considered full time must take a minimum of 15 credits per term or five courses. In order to maintain their full time standing in the program, students will have to meet all course requirements (attendance, assignments, etc.) and receive a passing grade in all courses.

PART-TIME STATUS

Students wishing to be considered part-time must take a minimum of 9 credits per term or three courses. In order to maintain their part-time standing in the program, students will have to meet all course requirements (attendance, assignments, etc.) and receive a passing grade in all courses.

AUDITING CREDIT COURSES

With special permission of the Diploma Program Coordinator, general interest students and the general public may audit OSA credit courses. Auditors will be considered at the close of full time student registration. These requests will be processed provided there is adequate space left in the course and with the approval of the course instructor. Course fees must be paid in full and no evaluation will be given.

Students at other institutions, such as the University of Ottawa and Carleton University, may also be considered under the same conditions.

CONSENT TO USE OF PERSONAL INFORMATION

The Fine Arts Diploma Program is registered as a private career college with the Ministry of Training Colleges and Universities. As such, all students entering the Program are asked to sign a Consent to Use of Personal Information form. Private career colleges (PCC's) must

be registered under the Private Career Colleges Act, 2005, which is administered by the Superintendent of Private Career Colleges. The Act protects students by requiring PCC's to follow specific rules on, for example, fee refunds, training completions if the PCC closes, qualifications of instructors, access to transcripts and advertising. It also requires PCC's to publish and meet certain performance standards, e.g., percentage of graduates who obtain employment. This information may be used by other students when they are deciding where to obtain their training.

INTERNATIONAL STUDENTS

International students are individuals who are not Canadian citizens or landed immigrants and who have entered Canada holding a passport from a different country. International students are required to pay a surplus equal to 50% of course fees and are urged to contact the Diploma Program Coordinator with regard to fee structure and other requirements: **diploma@artottawa.ca**

Additional information for international students can be found on our web site at **artottawa.ca**. Look under the heading Diploma and Portfolio Certificate, click on International Students.

ANDREW FAY

Andrew was raised and educated in Ottawa and received his training at the Nova Scotia College of Art and Design. His work continues to focus on figurative subject matter. The paintings centre on the human image, examining a gamut of physical and emotional drives. The narrative of his paintings is often intentionally ambiguous. He creates a surreal atmosphere which invites the viewer to interact with the work on their own terms, with minimal direction. He has participated in numerous exhibitions, most notably at the Karsh-Masson Gallery, the Ottawa Art Gallery, and the Ottawa School of Art Gallery and his paintings can be found in important civic and private collections in Ottawa. FINAL WORDS

Since the Ottawa School of Art is a not-for-profit organization, the credit programs partake of the charitable values that position the School in its community. Access to education is a long-standing value and OSA maintains a pricing policy lower than its competitors. However, there is still something to pay and students in the credit programs do not have access to bursaries. Over the past three years the number and type of scholarships supporting diploma students has doubled. The School would like to see this trend continue and actively seeks philanthropic support and sponsorship to ensure that the credit programs can continue and expand over time.

If you would like to contribute, please contact the Resource Coordinator at 613.241.7471, ext: 31, or write to **development@artottawa.ca**.
