LEVELS OF INSTRUCTION

NIVEAUX D'INSTRUCTION

The Ottawa School of Art offers four levels of instruction to help students select courses relative to their skill and experience. Each level includes courses covering a variety of media. A minimum number of registrations are required to avoid cancellation of a course. Please register 5 days before the start date.

L'École d'art d'Ottawa offre quatre niveaux d'instruction qui permettent aux étudiants de choisir des cours en fonction de leurs aptitudes et de leur expérience. Plusieurs techniques et moyens d'expression sont explorés à chaque niveau. Un minimum d'inscriptions est requis sans quoi le cours sera annulé. Veuillez vous inscrire au moins cinq jours avant la date de début du cours.

INTRODUCTORY | COURS D'INTRODUCTION

Students who are at the introductory level have little to no knowledge of the basic techniques in a specific medium and have identified their directional focus. Courses designated as Introductory/Intermediate allow students to move to the slightly more difficult level when they are ready.

Les étudiants des cours d'introduction maîtrisent certaines compétences de base d'un moyen d'expression en particulier et ont choisi leur orientation. Les cours des niveaux introduction et intermédiaire permettent aux étudiants de progresser à leur rythme et de passer à un niveau supérieur au moment propice.

INTERMEDIATE | NIVEAU INTERMÉDIAIRE

Intermediate level students have begun to understand their medium and apply themselves to their chosen medium with some skill and directional focus.

Au niveau intermédiaire, les étudiants commencent à bien saisir leur technique et s'y consacrent avec un certain talent.

ADVANCED | NIVEAU SUPÉRIEUR

Advanced students work independently and receive one-to-one instructor support and ongoing critiques of their work. Students concentrate on individual style and content while developing a stronger directional focus and technical skills.

Les étudiants du niveau supérieur travaillent de façon indépendante et profitent d'un enseignement personnalisé. Leurs œuvres sont soumises à des critiques progressives. Ils travaillent à développer leur style et leur matière personnels, tout en poursuivant leur orientation et en maîtrisant des compétences techniques supérieures.

ARTS FUNDAMENTALS CERTIFICATE

CERTIFICAT D'ARTS FONDAMENTAUX

The Arts Fundamentals Certificate is a 10-course non-for-credit self-guided program that provides students with a unique opportunity to develop their skills in a variety of art forms, develop individual expression, and find their own artistic voice. This well-structured program provides students with access to the study of various studio areas including drawing, painting, sculpture, photography, printmaking and woodworking, and helps them grow as artists by expanding their experience and knowledge, and helping them move beyond their comfort zone. Studying with working professional artists in a studio setting, students will also have the chance to develop and expand their present body of work and build an impressive portfolio which is a requirement to apply to the Diploma Program offered by the Ottawa School of Art or to University or College.

Le Certificat d'arts fondamentaux est un programme de 10 cours sans crédit qui offre aux étudiants une opportunité unique de développer leurs compétences artistiques dans une variété de techniques, d'exprimer leur individualité et de trouver leur propre style artistique. La structure méthodique du programme permet aux étudiants d'acquérir de l'expérience en studio et d'étudier plusieurs domaines des arts visuels y compris le dessin, la peinture, la sculpture, la photographie, la gravure, et leur permet de s'épanouir artistiquement en développant leurs expériences et connaissances, et d'avancer au-delà de leur zone de confort. En étudiant avec des artistes professionnels en studio, les étudiants auront également l'opportunité de développer et accroître leur œuvre, et de bâtir un portfolio impressionnant en préparation pour l'inscription à l'université, au collège, à une école d'art ou au programme de diplôme de l'École d'art d'Ottawa.

au Certificat d'arts fondamentaux en remplissant le formulaire d'inscription. Les étudiants intéressés à s'inscrire doivent contacter l'Agente d'administration en téléphonant au numéro principal du Campus d'Orléans : 613.580.2765. PROGRAM POLICIES

MODALITÉS DU PROGRAMME

Duration of Study

Students may take up to a maximum of three (3) years to complete the certificate. It is mandatory that courses are taken in their suggested order, and introduction courses must be successfully completed before moving on to intermediate and advanced courses.

Evaluation

At the end of each term, students will meet with their instructors to discuss their progress and work. Students will be evaluated on a pass/fail basis.

Class Requirements

Attendance will be taken in all classes. 80% attendance is required in each course. Being more than twenty (20) minutes late for any class constitutes an absence.

At the beginning of each term instructors will outline the class assignments. These include a minimum 3 hours per class of homework. It is the responsibility of each student to fulfil these requirements in order to receive a passing grade. These quantitative requirements do not replace the qualitative goals of producing work that demonstrates progress and improvement in creative development and direction.

Course Withdrawals

Should the OSA cancel a course, students will receive a full refund. Students who wish to withdraw from a course beyond the cancellation deadline will be subject to the OSA withdrawal or transfer policies.

Students may be asked to leave the program for the following reasons:

- Unprofessional conduct or occurrences that may demean the reputation of the OSA
- Failure to complete the program within the three-year time limit

Course Failure

If a student fails a required course they must repeat and pass that course as soon as possible. Students are given three (3) opportunities to pass any course, which is a requirement for the certificate.

Durée des études

Les étudiants peuvent prendre un maximum de trois (3) ans pour compléter le certificat. Il est obligatoire de suivre les cours dans l'ordre suggéré, et les cours d'introduction doivent être complétés avec succès avant de s'inscrire aux cours de niveaux intermédiaire et avancé.

Évaluation

À la fin de chaque trimestre, les étudiants auront une rencontre avec leur professeur pour discuter de leur travail et progrès. Ils seront évalués sur une base de réussite ou échec.

Exigences des cours

Les présences sont prises à chaque séance. L'élève doit participer à 80% des séances par cours. Un retard de vingt (20) minutes constitue une absence.

Au début de chaque session, les professeurs décrivent brièvement le contenu du cours. Celui-ci comprend un minimum de 3 heures de devoirs par semaine. Les étudiants sont responsables de satisfaire à ces critères pour obtenir une note passante. Ces exigences quantitatives ne remplacent pas les objectifs qualitatifs liés à la réalisation d'œuvres qui témoignent d'une progression et d'une amélioration constantes du développement créateur et de la direction artistique.

Abandon et annulation de cours

Si l'ÉAO annule un cours, les étudiants recevront un remboursement complet. Les étudiants qui désirent abandonner un cours après la date limite devront payer les frais de transfert ou d'abandon.

Les élèves peuvent perdre leur statut d'étudiant du programme de certificat pour les raisons suivantes:

- Conduite qui témoigne d'un manque de conscience professionnelle ou qui nuit à la réputation de l'ÉAO
- Incapacité de terminer le programme dans le délai requis de trois ans

Échec scolaire

Si un élève échoue un cours obligatoire, il doit reprendre et réussir le cours le plus vite possible. Les étudiants peuvent reprendre un cours à trois (3) reprises.

FROM THE EXECUTIVE DIRECTOR

FALL TERM 2012 AT OSA

The fall term at the Ottawa School of Art is always a very busy and exciting term! As we enter the 2012-2013 school year, we are proud to be serving our students through our campuses in the ByWard Market and at the Shenkman Arts Centre in Orleans. We are offering a wide variety of general interest classes in all mediums at both locations.

By taking classes at OSA, you share in the numerous benefits of a strong arts education that are available to all our students no matter what their age or experience level. Whether you are taking a course out of pure interest and enjoyment, studying a particular area to develop skills for your career or working to become a professional artist, the OSA has courses that will meet your needs. The courses offered at OSA provide the tools necessary to create, nurture and encourage individual and diverse talent, skills and abilities. Students at both locations can study in a relaxed, informal atmosphere.

Equally important is the fact that all the instructors at the OSA are professional artists who are actively involved in the cultural, artistic and community scenes. Some have made their national and, often, international marks in the art world. You may even recognize some of their names while you're looking through the pages of this course book.

Celebrating over 130 years as one of the oldest fine arts institutions in North America, the OSA has a rich history and a future with great potential. Being a not-for-profit organization means our goal is to provide quality arts education to our students and to people in the greater community. Our programs help people enrich their lives through a greater appreciation of the arts and a stronger understanding of the creative process.

Thank you for your interest in becoming a part of our student community. We hope to get to know you and run into you in our hallways, classes and at our gallery openings or other public events.

Have a great term!

SAISON SCOLAIRE D'AUTOMNE 2012 DE L'ÉAO

Le trimestre d'automne est toujours un trimestre chargé et animé à l'École d'art d'Ottawa! Nous offrons aux deux campus une grande variété de cours généraux dans tous les moyens d'expression.

En suivant des cours à l'ÉAO, vous profitez d'une solide éducation artistique, à l'instar de tous les autres étudiants, peu importe leur âge ou leur niveau d'expérience. Qu'il s'agisse de suivre un cours par intérêt personnel ou par simple plaisir, d'étudier un domaine en particulier pour développer des habiletés utiles à un travail, ou de poursuivre un cheminement vers une carrière artistique professionnelle, l'ÉAO fournit une gamme de cours pour satisfaire tous les besoins. Les cours offerts à l'ÉAO procure tous les outils essentiels pour créer, pour développer et favoriser le talent, et des aptitudes et habiletés individuelles et diversifiées. Les étudiants des deux campus ont la chance d'étudier dans une ambiance détendue et décontractée.

Autre aspect tout aussi important : tous les professeurs de l'ÉAO sont des artistes professionnels qui participent activement à la vie culturelle, artistique et communautaire. Certains d'entre eux jouissent d'une réputation enviable dans le monde des arts au Canada, et même à l'étranger. En parcourant les pages du programme, vous avez peut-être reconnu quelques noms au passage.

L'ÉAO, qui existe depuis plus de 130 ans et est l'un des plus anciens établissements d'enseignement en Amérique du Nord, a une riche histoire et un avenir plein de possibilités. En tant qu'organisme de bienfaisance enregistré, notre objectif est de fournir une éducation artistique de qualité à nos élèves et à l'ensemble de la communauté. Nos programmes aident les personnes à enrichir leur vie en leur donnant une meilleure appréciation des arts et une forte compréhension du processus de création.

Merci de devenir membre de notre communauté étudiante. Nous souhaitons avoir la chance d'apprendre à vous connaître et de vous rencontrer souvent dans les corridors, les classes et dans les vernissages et les autres activités publiques.

F12S015C | ABOUT LANDSCAPE AND ABSTRACTION | PAYSAGE ET ART ABSTRAIT | ALL LEVELS | TOUS LES NIVEAUX (B)

Do you ever wonder how Monet's beautiful series of water lilies painting opened the door for Rothko's fluctuating bars of pure colour on canvas? This course will look at 19th century and 20th century landscape painting and how it connects to the burst of modern abstract painting. Colour theory, perspective and design exercises as well as landscape painting will be included in this course. Acrylic paint is recommended.

Vous êtes-vous déjà demandé comment les Nymphéas de Monet, cette magnifique série de peintures de fleurs et de nénuphars, ont su ouvrir la porte aux oeuvres abstraites hautes en couleur de Rothko? Ce cours portera plus spécifiquement sur les peintures de paysage du 19e et 20e siècle et permettra d'identifier leur lien avec l'éclatement de la peinture abstraite moderne. Des exercices de perspective, de design et de théorie de la couleur de même que de la peinture de paysage seront proposés au fil des séances. L'utilisation de la peinture acrylique est recommandée.
