Zelikovitz Leather & Crafts	1160 Heron Rd 613-727-8804	Harness Needles, leather, thread

COURSE DESCRIPTION

Do you have an appreciation for books? Are you curious about how books are made? Join us to learn how to make three contemporary books. Using centuries old techniques you will create three traditional books. You will learn about papers, their appropriate use, and how to decorate them. A tour of a rare book library or contemporary artists' book library will show how books have been made for centuries or how artists' books are made today.
