

## F13DT01 DRAWING AND PAINTING: ALL TOGETHER NOW! AGES 13-15

SATURDAY 1-4PM

INSTRUCTOR: BRYNA COHEN

In a comfortable studio setting, students will learn technique and improve ability in the following materials: pencil, coloured pencil, charcoal, pastel and India ink, watercolour, and acrylics. Briefings on the masters and contemporary artists will stimulate the artist in each of us, in particular during a session at the National Gallery of Canada.

Variation in themes throughout the 3 terms will sustain the interest of returning students. Fall: landscape emphasis. Winter: figurative drawing emphasis. Spring: still life and abstraction emphasis. All skill levels are encouraged to register.
