

F13DWS08 - Letterpress Workshop

Instructor: Guillermo Trejo

November 30

Saturday, 9 am to 4 pm

In each one day workshop, we will concentrate the class in how to use the letterpress machine and the possible effects that we can have using different colors, overlapping colors and creating our own designs.

9:00 am to 12:00pm:

- A little history and explanation of letterpress printing.
- Show examples of letterpress prints.
- First design; understand the press and the process.
- Different exercises, overlapping colors, degradations etc...

12:00pm to 1:00pm

- Lunch time
- Optional, visit to the gallery Jean Claude Bergeron, the only gallery specialize in printmaking in Ottawa

1:00pm to 4:00pm

- Printing linocuts in the letterpress
- Printing time!
- Exchange of prints
