LEVELS OF INSTRUCTION FOR THE GENERAL INTEREST PROGRAM

NIVEAUX D'INSTRUCTION POUR LE PROGRAMME D'INTÉRÊT GÉNÉRAL

The Ottawa School of Art offers four levels of instruction to help students select courses relative to their skill and experience. Each level includes courses covering a variety of media. A minimum number of registrations are required to avoid cancellation of a course. Please register a minimum of 5 days before the start date.

L'École d'art d'Ottawa offre quatre niveaux d'instruction qui permettent aux étudiants de choisir des cours en fonction de leurs aptitudes et de leur expérience. Plusieurs techniques et moyens d'expression sont explorés à chaque niveau. Un minimum d'inscriptions est requis sans quoi le cours sera annulé. INTRODUCTORY | COURS D'INTRODUCTION

Students who are at the introductory level have little to no knowledge of the basic techniques in a specific medium and have identified their directional focus. Courses designated as Introductory/Intermediate allow students to move to the slightly more difficult level when they are ready.

Les étudiants des cours d'introduction maîtrisent certaines compétences de base ont soit aucune connaissance technique ou d'un moyen d'expression en particulier et ont choisi leur orientation. Les cours des niveaux introduction et intermédiaire permettent aux étudiants de progresser à leur rythme et de passer à un niveau supérieur au moment propice.

INTERMEDIATE | NIVEAU INTERMÉDIAIRE

Intermediate level students have begun to understand their medium and apply themselves to their chosen medium with some skill and directional focus.

Au niveau intermédiaire, les étudiants commencent à bien saisir leur technique et s'y consacrent avec un certain talent.

ADVANCED | NIVEAU SUPÉRIEUR

Advanced students work independently and receive one-on-one instructor support and ongoing critiques of their work. Students concentrate on individual style and content while developing a stronger directional focus and technical skills.

Les étudiants du niveau supérieur travaillent de façon indépendante et profitent d'un enseignement personnalisé. Leurs œuvres sont soumises à des critiques progressives. Ils travaillent à développer leur style et leur matière personnels, tout en poursuivant leur orientation et en maîtrisant des compétences techniques supérieures.
