About our school & our charity

The OSA is a key contributor to the culturally rich, diverse and vibrant community of the National Capital Region. As a non-profit, charitable organization, the school offers a full range of specialized art courses for all ages. The Ottawa School of Art (OSA) has been this city's premier visual arts institution since 1879, and continues to be the best place to study visual arts in the National Capital Region. With two locations in the greater Ottawa area -- the Main Campus is located in the ByWard Market and the Orleans Campus is situated in the new Shenkman Arts Centre, the OSA continues to provide the community with the opportunity for creative expression, development and growth.

With our motto, “Teaching Art to Everyone” by 2020 the Ottawa School of Art will be a major centre in Canada for developing excellence in the visual arts.

The Ottawa School of Art offers a full range of specialized art courses and a wide variety of specialized short courses and workshops. Children's and Teens' classes range from multi-media to animation and cartooning, sculpture and construction, pottery, drawing and painting. In addition to art courses, the OSA's programs have grown to include visiting artist program, an Artist Residency Program, professional exhibitions galleries (which hosts solo and groups shows by local, national and international artists, both on and off-campus), a non-for-credit Arts Fundamentals Certificate, a one-year Portfolio Development Program and a 3-year Diploma Program, a Bursary Program and our Community Outreach Program (for youth at risk, new Canadians and homeless young adults to receive arts education in a safe environment, partnering with 8 different community centres and houses).
