

Annual Instructors Exhibition Submission - 2017 Byward Campus

Exhibition dates: August 3, - September 3, 2017.
Vernissage: Thursday August 3, 2017, 5:00 p.m. to 8:00 p.m.

Curator: (to be confirmed)

Conditions for Participation:

1. Open to all Instructors teaching at the OSA, 35 George St. (ByWard) campus.
2. This year there is no size restriction for works submitted. However, pieces may be hung above or below each other, or placed in the display cases and / or lobby as necessary to accommodate demand. Instructors are asked to please consider their colleagues when choosing the size of their works.
3. Each Instructor is asked to submit three, (3), **ready-to-exhibit** works for the show. If your work is framed, insure that the framework is stable and secure with proper hanging hardware. Canvasses not requiring a frame must have proper hanging wire or “D” rings. Any work not meeting these standards will not be displayed. Instructors submitting works with special requirements for installation may be called upon to come in during the installation to assist. The installation dates are August 1 and 2. Please note, submitting only one work may not guarantee a place in the exhibition.
4. A reputable curator will select the works to be included in this exhibition and be invited to write a few comments on the show and selection process. If received, the comments will be made available, to the public, in the gallery during the exhibition. Instructors will be notified and asked to promptly pick-up non selected work.
5. Works which have been shown in previous Instructors exhibitions will not be considered.
6. Only works created after **June 30, 2015** will be considered for this exhibition.
7. All Instructors submitting work must provide an up-to-date biography and a list of courses taught at the OSA’s Byward campus, dating from the summer semester of 2015, (see below). This information is presented in a gallery to promote you!

8. Work can be submitted **starting Tuesday July 4, 2017**. Please bring your art works, completed submission form, and biography to the second floor administration office.

9. **The absolute deadline for Instructors to submit work, for this year's show, is 4:30 p.m., Friday July 21, 2017.** Work received after this date will not be considered.

10. An exhibition fee of \$82.00 will be paid to each instructor who exhibits work in this exhibition.

List of courses taught at the Byward campus:

Summer Semester 2016.....

Fall Semester 2016.....

Winter Semester 2016 / 2017.....

Spring Semester 2017.....
