

Dwellings of Natural Materials

While you are looking at these images of dwellings, ask yourself:

Where is this? Who built it? How old is it?

Is this a permanent or temporary structure?

How long did it take to build?

What materials is it made from?

What techniques are used to build?

Why.....? How come....?

Igloos

Log Cabins

Sod roofs

Hobbit Homes

Beehive Grass

Grass Huts

Boulder House

The Incas

Mud Nests

Grass Nests
